Route Notes:

- From REI, the OUT is on Alpha Rd, coming back IN is on McEwen Rd
- This route uses lightly traveled Major Roads, be safe & Obey All Traffic Rules
- This route is really designed to be ridden in a group - somewhat fast and flat with limited stop signs & red light, but offers little protection from wind/elements.
- Call your turns & make your intentions known.
- If you do the Optional Hill Loop, be aware of the fact that the CARS exiting HWY 114 have the right of way - not you. Ride accordingly.
