

Midlothian "A" Route

This 48 mile route starts at Mountain View College drops down off the escarpment to ride south and west along the shores of Mountain Creek Lake and Joe Pool Lake. It then turns east to swing through the towns of Midlothian and Cedar Hill on the return trip. The terrain is very scenic with lots of rolling hills

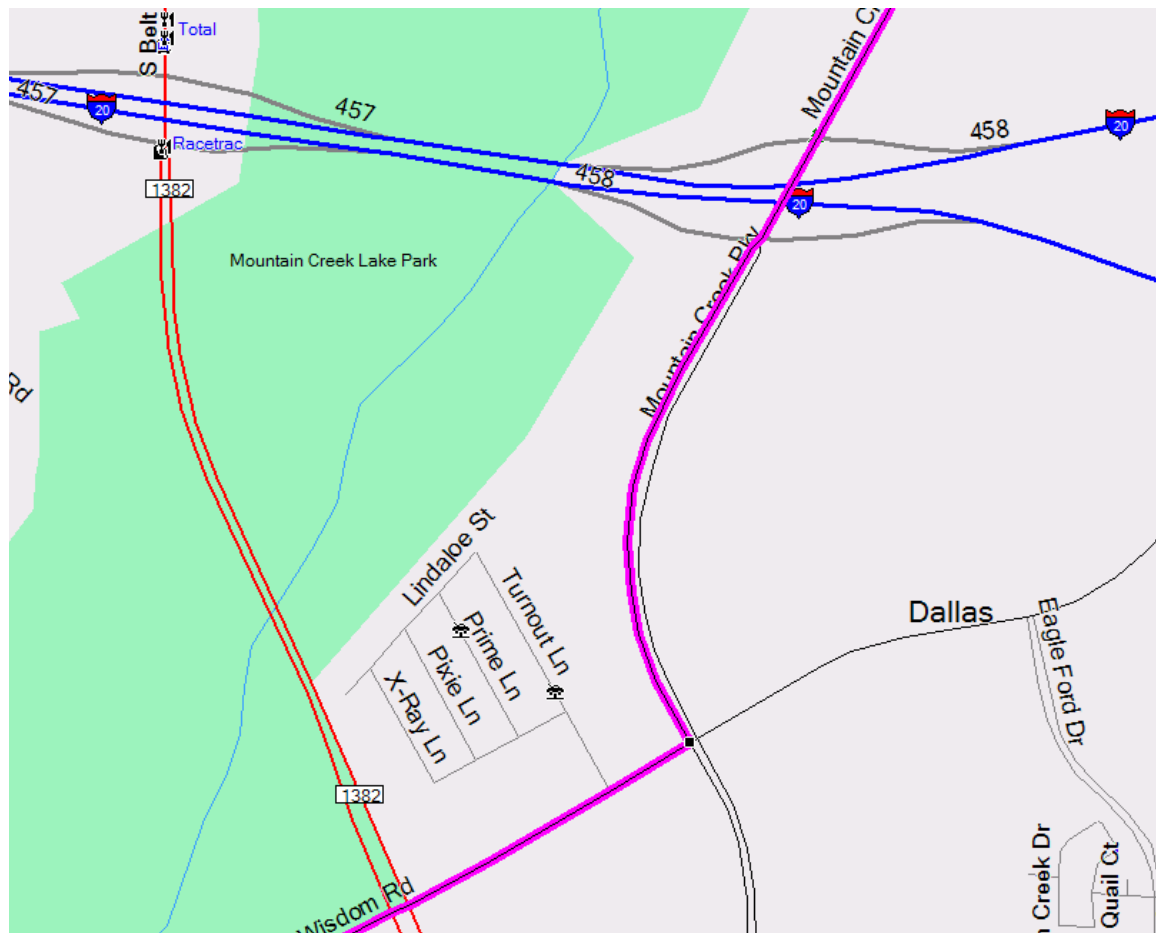

This route starts from Mountain View College at the corner of Illinois and Duncanville Road. To reach Mountain View College take I-30 or I-35 to Loop 12 South. Exit Loop 12 onto Spur 408 and immediately take the Mountain Creek Parkway/Illinois Avenue exit. Turn left at the stop sign onto Illinois. Turn left at the first traffic light onto Duncanville Rd. Turn right into the Mountain View College parking lot.
